

Successfully adding data from a page into a database table (the customer table)

Data for a new customer:

### Registration Page

First name:	Bob
Last name:	Miller
Address:	456 Anystreet
City:	Lubbock
State:	Texas
Zip Code:	79404
Telephone:	806-666-2323
Email:	bob@email.com
Age:	35

Register

(note to team: all the below becomes visible after registration is successful)  
(or else, after registration is successful, we could cause a 'copy' of the theatre page to open,  
with one difference, being that the play titles are actively linked to their respective theatre pages)

#### View the Seats Available for these plays

1 {Title}

2 {Title}

3 {Title}

This resulted in our customers table showing the new entry
